

Economic Development

**Fairfax City Office of Economic Development  
Program Participant Form**

**OLD TOWN FAIRFAX FALL CRAWL—SATURDAY, OCTOBER 26, 2019 ~ 1:00 – 7:00 pm**

**What is the Old Town Fairfax Fall Crawl?** Fairfax City's Old Town Fairfax Fall Crawl is a timed self-guided tour for anyone 21 and over featuring Old Town Fairfax restaurants offering specialty priced drinks and food. The self-guided tour allows patrons to plot their own course trying new restaurants while at the same time bringing them back to all-time favorites in Old Town Fairfax City.

**When is the Old Town Fairfax Fall Crawl?** Saturday, October 26, 2019; 1:00 pm – 7:00 p.m.

**How does the Old Town Fairfax Fall Crawl work?** Hosted by Fairfax City's Office of Economic Development, the fall crawl is a free event and will feature ten Old Town Fairfax City restaurants. Patrons will check-in at an identified location to receive a fall crawl pass. The fall crawl pass will identify the participating restaurants that are offering drink and food specials to those that show the pass. Patrons will then have their passes stamped when they make a purchase at a participating restaurant. When patrons visit 4 of the 10 restaurants, they can return the pass to the check-in location between the hours of 6:00 pm and 7:00 pm for a free limited edition Old Town Fairfax City Fall Crawl glass.

**How does my business participate in the Old Town Fairfax Fall Crawl?** There are no fees for businesses to participate. Simply provide specialty priced drinks and food for patrons that are participating in the crawl. Keep in mind that patrons will be visiting a number of establishments in a short amount of time as the idea is to have a drink and small bite then move along to the next venue. Prices for the drinks and food are set by the participating restaurant. Submit the below form, identifying food and drink offerings and prices by the Friday, September 27<sup>th</sup> deadline. Space is limited to only ten (10) restaurants due to the time needed to visit each business. Business participants are selected based on when the participation form is received and proximity to other establishments.
